

“A RUBBISH EXPERIENCE” challenge from WOODBRIDGE RIVERSIDE TRUST

www.woodbridgeriversidetrust.org

Here’s something to do at home over Christmas...

CREATE YOUR OWN ‘SEA CREATURE’

Make a sea creature or fish at home with ‘rubbish’ – with a chance to win a Family Ticket worth £25 to a film showing at the Riverside Theatre.

- You must make your creature mainly from used plastic or used paper that you would otherwise recycle, re-use, or dispose of. (Small amounts of string, staples, wire, glue etc allowed.)
- It must not be bigger than 30cmx15cmx15cm, and must weigh less than 300gm
- Creatures will be displayed hanging up as if they are floating!
- Include a hole, a hook, a wire tie or similar in the design to hang it from. (That way we can be sure we’ve got it the right way up.)

Your creation can be realistic or fantastic, lovable, pretty, ugly or nasty – whatever you like! Bring it down to the Longshed between 10am and 4pm, 27th- 29th December, or between 10am and mid-day on 30th December. Please allow a little time when you deliver your entry, to tie it into the display – and to look around!

There is a £5 charge per entry, one entry per person only, please. Proceeds will be divided equally between the Longshed and The Marine Conservation Society.

Prizes of family tickets (for 4 people including at least 2 children) to a film showing at the Riverside Theatre, Woodbridge, will be awarded to the best entry in each age range. You are invited to the judging, which will be at 3pm on 30th December 2018.
